

WFOR-TV QUARTERLY ISSUES/PROGRAMS LIST
JANUARY 1, 2009 THROUGH MARCH 31, 2009

Attached are listings of broadcasts or broadcast segments that, in the Station's judgment, reflect the Station's most significant programming treatment of ascertained issues during the preceding three-month period. During the preceding quarter, the Station also broadcast CBS Network programs such as 60 MINUTES SUNDAY, FACE THE NATION, and 48 HOURS. Additionally, the Station broadcast a quarterly episode of the syndicated show "YOUR GREEN LIFE" focusing on environmental issues. In addition, the Station produced and broadcast a "Community Calendar" and public service announcements promoting local community events and campaigns. Also, the Station produced and broadcast a series of NEIGHBORS 4 NEIGHBORS segments encouraging viewers who need help and those who want to help to call a telephone hot line staffed twelve hours daily. Each 30-second segment is placed in a random rotation ranging from one week to several months, depending on the topic, need and response. All of these programs are part of the Station's plan to address issues of concern to viewers.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ – A half-hour weekly public affairs that provides a review of the week's top local news developments and features interviews with local newsmakers. Broadcast dates and times as indicated in the report.

CBS4 NEWS FEATURE REPORTS – Specials and series reports focusing on important local issues. These reports air during selected CBS4 News broadcasts. Duration: Each part is approximately three minutes. Broadcast dates and times as indicated in the report.

PUBLIC SAFETY/ENVIRONMENTS Topics in this category include: aviation safety; dangers of mobile phone use while driving; helping injured pelicans; defective smoke detectors; green schools; dolphins dying in the Florida Keys; plans to build school over incinerator; dangerous bridges; and daycare violations.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ: 1/17, 9:30 AM. Aviation Attorney Aaron Podhurst and Retired Pilot Jay Rollins discussed aviation safety and what bird strikes in the skies cost airlines every year. 1/24, 9:30 AM Student Rocky Kaller is trying to put an end to a dangerous practice, starting an organization called STATIC – Stop Talking and Texting in Cars. **CBS4 FEATURE REPORTS: ECOZONE**. 1/27, 6 PM. This report featured a local organization that is helping pelicans that are injured or suffering dehydration. **CBS4 FEATURE REPORTS: I-TEAM INVESTIGATION OF SMOKE DETECTORS**. 2/10, 11 PM; and 2/11, 11 PM. This two-part investigative report focused on the differences between some smoke detectors on the market and revealed that certain smoke detectors might not work as intended. 2/10, 5-6:30 PM. The reports were supplemented by a Smoke Detectors Phone bank where representatives of the Miami-Dade Fire Department answered viewers' calls about the proper type of smoke detectors to purchase and provided information on how to obtain free smoke detectors. **CBS4 FEATURE REPORTS: ECOZONE GREEN SCHOOLS**. 2/17, 6 PM. This report focused on Dade Paper--one of South Florida's most respected corporate citizens created 70 years ago and the company's commitment to making local schools and community organizations environmentally safe and responsible by providing recycled paper and chemical-free cleaning products. **CBS4 FEATURE REPORTS: DYING DOLPHINS**. 2/24, 11 PM. This report focused on the increasing number of Bottlenose Dolphins that are mysteriously dying in the Florida Keys. **CBS4 FEATURE REPORTS: SCHOOL BUILT ON INCINERATOR**. 3/12, 11 PM. This investigative report was a follow-up to previous reports on a Fort Lauderdale neighborhood that was built on a toxic site. The follow-up revealed that a local builder is planning to build a school on top of an incinerator. **CBS4 FEATURE REPORTS: BRIDGES OF SOUTH FLORIDA IN DISREPAIR**. 3/ 18, 11 PM. This investigative report reveal that South Florida is expected to receive close to \$2 billion in funds to improve roads and the areas infrastructure and that there are 222 bridges statewide that are deficient and in need of critical replacement. **CBS4 FEATURE REPORTS: DAY CARE VIOLATIONS**. 3/30, 11 PM. This investigative report was a follow up to an earlier investigation of violations at local day care centers. The follow-up revealed that as a result of this I-Team investigation parents now have the means of tracking day care violations in the state of Florida using updated real time maps showing day care ratings that are updated monthly.

HEALTH Topics in this category include: women and heart disease; documentary about people living with HIV; new gall bladder surgery procedure; medical advice phonebank; new solution to detect breast cancer; experimental lung cancer procedure; relationship between eyes conditions and a person's health; how children react to cancer in the family; new skin laser procedure; risks of physical exercise; tips for understanding pathology reports; avoiding painful injections; heart health help; acupuncture for cancer treatment; new procedure for hysterectomy; new non-surgical procedure for treating major illnesses; teens and depression; risks of bioidenticals; detecting breast cancer in the mentally disabled; sleep disorders; dealing with breast cancer diagnosis; questions about colon cancer; and breast cancer risks for young women.

NEWS & VIEWS WITH ELIOTT RODRIGUEZ: 9:30 AM. 2/28. Dr. Stacey Castanes, a cardiologist, talks about free tests available to women at the upcoming Women's Heart Health Fair and what women can do to keep their hearts healthy. 3/28, 9:30 AM. Damaris Cruz, an HIV awareness activist, discussed her experience as someone who has been living with HIV for 17 years and Esteban Arango, Director of "The Stigma Stops with Me", a Herald web documentary series, talked about how he worked with Damaris and a dozen other students to produce this unique and visual project. **CBS4 FEATURE REPORTS: GALL BLADDER SURGERY**. 1/5, 5 PM. This report focused on a new laparoscopic surgical procedure for removing the gall bladder. **MEDICAL ADVICE PHONE BANK**. 1/6, 5-6:30 PM. Medical experts from the University of Miami were available to answer any medical questions live during the broadcasts. **CBS4 FEATURE REPORTS: BREAST CANCER PREDICTOR**. 1/7, 5 PM. This report focused on an experimental solution-- called OncoVue-- that can predict if a person has a genetic pre-disposition for breast cancer. **CBS4 FEATURE REPORTS: LUNG CANCER SURVIVOR**. 1/12, 5 PM. This report focused on a lung cancer patient who had been diagnosed as incurable, yet he participated in a clinical trial at the local Mount Sinai Hospital and has survived beyond expectations. The report explained that the drug used in the clinical trial was originally developed to treat breast and prostate cancer but has since been approved to be used in the lung cancer clinical trials. **CBS4 FEATURE REPORTS: YOUR EYES & YOUR HEALTH**. 1/16, 5 PM. This report focused on medical studies that have shown that eye problems might serve as a sign of a larger health issue. The report looked at the new technology allowing ophthalmologists to diagnose more severe medical conditions through eye examinations. **CBS4 FEATURE REPORTS: CHILDREN OF CANCER PATIENTS**. 1/17, 9 AM. This report focused on a recent study from the Netherlands showed that 29 percent of the children of cancer patients experienced some of the symptoms of post traumatic stress. The study showed that parents tend to underestimate the problems that children had, and it was the well parent who was more likely to not understand the effect, perhaps because that parent was more focused on their sick partner. **CBS4 FEATURE REPORTS: NEW LASER TO IMPROVE SKIN**. 1/19, 5 PM. This report reviewed carbon dioxide lasers considered the latest cutting edge technology that was recently approved by the FDA. The report explained how this next generation laser using controlled chaos technology (CCT) is being used to improve the surface of the skin, especially for people with serious burns and deep scars. **CBS4 FEATURE REPORTS: COMMON EXERCISE INJURIES**. 1/23, 5 PM. This report reviewed some of the most common injuries that adults and kids suffer when they start an exercise program and what should we all do to avoid these injuries. **CBS4 FEATURE REPORTS: HOW TO READ A PATHOLOGY REPORT**. 1/24, 9 AM. This report provided tips on how patients can better understand the pathology reports when they are first diagnosed with breast cancer. **CBS4 FEATURE REPORTS: PAINLESS SHOTS**. 1/26, 5 PM. This report focused on a new anesthetic cream that reduces the pain of injections that is being applied in advance to patients and children who are fearful or cannot tolerate shots. **MEDICAL PHONE BANK**. 1/28, 5-6:30 PM. Medical experts answered viewer questions about heart disease.
